OFFICE OF STATE UNIFORM PAYROLL MEMORANDUM #2003-51

TO: All ISIS HR Agencies

FROM: Jena W. Cary

Director

SUBJECT: Miscellaneous Insurance Products Removed from Payroll Deduction

Payroll Deductions Authorized for Fiscal Year 2003-2004

In reviewing voluntary insurance products offered to state employees through payroll deduction, the Uniform Payroll Insurance Commission (UPIC) determined that any product offered which did not have a participation level of 100 employees paid through the ISIS HR Payroll System (ISIS HR) by December 31, 2002, would not be allowed to continue as a payroll deduction effective July 1, 2003.

Applications submitted by payroll vendors for continued deduction authorization for Fiscal Year 2003-2004 have been approved. As a result of the participation level change and the annual OSUP review process of all current miscellaneous vendor applications, it has been determined that the following products will be removed from payroll deduction effective <u>July 1, 2003</u>:

Vendor	Deduction Code	Wage Types	Product Name

OFFICE OF STATE UNIFORM PAYROLL MEMORANDUM #2003-51 April 7, 2003 Page 2

Vendors have been notified that they are responsible for contacting employees with products being removed from payroll deduction. They will advise the employees on how premiums can be paid, e.g. bank draft or invoice, in order to keep their policies in force. Agencies will not receive a new SED-4 form to indicate the removal of these products. Agencies can run report ZP74 to determine which employees have these wage types, but may not be required to delimit them as the ISIS HR conversion to OGB's eEnrollment may complete this task. Additional details will be forwarded in future OSUP memorandum.

Vendors have also been advised to revise their SED-4 Payroll Deduction Authorization Form to include only those products approved effective July 1, 2003. **Until these forms are approved, agencies must not accept SED-4 forms for deductions that are no longer approved with effective dates of July 1, 2003 or later.**

As a result of the analysis on the annual participation levels, some changes may also need to be made for deductions that are being withheld under an incorrect product code. Vendors will contact the agencies affected. Agencies may accept an SED-4 *without an employee's signature* if the SED-4 submitted by the vendor is correcting the product codes and/or amounts between products and there is <u>no change in the total semi-monthly premium</u>. These changes are allowed for employees participating in the flex plan since these are considered to be correcting an administrative error. Corrections to FBP deductions can only be made back to the beginning of the 2002 - 2003 plan year, if applicable.

A list of authorized vendors (VC-01) for fiscal year 2003-2004 is attached. Also attached is a list of vendors, authorized products, and assigned codes, as well as, the names, addresses, and phone number of the vendor coordinator (VC-02) for your reference.

For information on products authorized for payroll deduction, agencies can now refer employees to the following link on the OSUP website: http://www.doa.state.la.us/osup/Misc_Ins_Prod_Listing_July2003.htm. This website includes generic product definitions as well as the ability to search for information at the product or vendor level. Soon, there will be links added to web pages maintained by the vendors that will provide more details about the products offered to LA State Employees. These web pages should be printed by agencies for those employees who do not have access to the internet.

Communication between agency personnel, vendor designated Coordinator and OSUP is critical for accurate and efficient processing of employee deductions for all parties involved. Timely resolution of deduction problems is mandatory. Agency personnel are responsible for assuring that both verbal and written correspondence from coordinators are acted upon in a timely manner.

If you have any questions, please contact Angel Vernon at (225) 342-5344.
